Fhom is a family business with over 25 years in the market. Our name comes from the first letters of the founder and his children's names, Fabian, Henrique, Otávio and Marisa.

Our food industry was founded in 1994 in the city of São Bernardo do Campo, state of São Paulo, a place known for its huge industrial complex and its proximity to several parks environmental reserves, such as the "Serra do Mar", an important eco-turistic hub of the city. We currently have 60 employees working in a 8000m² industrial complex.

Our products can be found in all Brazilian's states, distributed to over 10 thousand stores, making us a national reference in healthy and organic food products. They are known for its high Quality!

Our ingredients are exclusively natural with no chemical additives. To achieve that we work closely with our farmers, helping them develop their business as well.

Our products are currently certified in Brazil and we are looking to certify them to ensure our costumers that they are getting a product

made to the highest standard possible.

Today we are proudly certificated on: SVB, Organic, Gluten Free, Trans 0%, Kosher.

Fhom joined the organic market in 2013, after receiving an invitation from one of the biggest Brazilian's Retailers, the "Bem Orgânico" company. Working in this amazing and evergrowing market we were able to provide the first Brazilian organic Chips.

From our suppliers to our costumers, our main goal is to bring happiness and satisfaction through our products. This makes it all worth and we reassures us that we are doing things in the right way.
